WHO IT'S FOR

This advisory service is tailored for individuals struggling to secure employment that offers social security benefits. These challenges can stem from social, health-related, or various other issues.

Long-term unemployed individuals often face obstacles that need to be overcome before they can successfully pursue job opportunities.

OUR OFFER

We provide personalized one-on-one coaching for individuals looking to improve their overall life situation and boost their employability or training opportunities.

WIB.Basis – Finding Your Path with 16k
Measure Number: 955/5002/24

Duration: 6–12 weeks, 2 sessions per week, 48 units

We will work together to explore your current situation, aspirations, and interests to help you find new perspectives for your life journey. Topics you can address with us include health, disabilities or impairments, social issues, family and relationships, mobility, and finances. These areas will form the basis of your personalized activation and integration strategy. Please note that this coaching does not focus on professional topics.

In special circumstances, the coaching can be extended in consultation with the funding agency.
