

## OUR GOALS

- We support you in developing new career perspectives based on your life path.
- We help you find solutions to health and personal issues that hinder work or training, for example, by connecting you with the healthcare system.
- We work with you to improve your personal and professional qualifications for employment, such as assisting with the recognition of professional qualifications.
- We take concrete steps with you to prepare for work or training and support your search for a job or training position, for example, through career orientation and application training.
- We provide on-the-job support, even after you have started working.

WIB – Weißenseer Integrationsbetriebe GmbH is an authorized provider under employment promotion law. The program is certified according to AZAV.

## InWeA INDIVIDUAL PATHS IN WORK AND HOME IN GERMANY

A Program involving the Activation and Placement Voucher (AVGS)

ENGLISCH

### WHO IT'S FOR

This professional coaching is designed for individuals with migration and refugee backgrounds.

It provides support for integrating into everyday life and work, as well as addressing health limitations and psychosocial problems.

The goal is to create a foundation for (re)entering the workforce through intensive individual support and to be available as needed even after starting a job or training program.

The prerequisite for the coaching is an Activation and Placement Voucher (AVGS), which you can obtain from your Job Center or Employment Agency.

### OUR OFFER

The individual coaching program InWeA consists of three modular components. These modules can be utilized individually or sequentially, depending on your needs.

#### InWeA – Individual Paths to Employment

##### Module 1: InWeA Basis Individual Coaching and Personal Orientation

**Measure Number:** 955/316/22

**Aim:** We work with you to establish a foundation for entering the workforce and guide you through the initial crucial steps to achieve your goal.

**Duration:** 12 weeks, 2 sessions per week, 96 units of instruction (UE)

##### Module 2: InWeA Plus Individual Coaching and Professional Orientation

**Measure Number:** 955/316/22

**Aim:** We collaboratively plan the concrete steps of your further career path and support you in implementing your professional goals according to your individual situation. We also accompany you during

practical trials in the workplace. We are available as a point of contact for all questions and work together to find solutions to professional or personal problems that hinder employment.

**Duration:** 20 weeks, 2 sessions per week, 160 units of instruction (UE)

##### Module 3: InWeA Stable in the Job Individual Coaching and Stabilization

**Measure Number:** 955/316/23

**Aim:** We support you and your employer even after starting a job or training with any questions and problems that may threaten your employment.

**Duration:** up to 26 weeks, as needed, 104 units of instruction
