## TIA COMPACT – PARTICIPATION, INTEGRATION, EMPLOYMENT

Individual Career Coaching for  
People with Disabilities

ENGLISCH

### WHO IT'S FOR

Our offer is aimed at job seekers with (severe) disabilities or those with equal status, and people with health impairments who, due to their handicap, require special support in their working life.

### OUR OFFER

#### **TIA Compact – Participation, Integration, Employment**

The Individual Coaching Program TIA – Participation, Integration, Employment is a modular measure with three modules. These can be used individually or consecutively depending on your needs. In this consulting offer, we work with you to establish a foundation for your professional entry based on your possibilities and aspirations.

**The individual coaching program TIA Compact (Measure Number: 955/163/21) consists of three phases with the following focus areas:**

#### **Phase 1: Clearing and Personal Orientation**

*Duration: 8 instructional units*

We will discuss your personal situation together and develop coaching goals accordingly.

#### **Phase 2: Individual Professional Coaching**

*Duration: 32 instructional units*

We will jointly develop a plan for (re)entering the workforce to prepare for and enable employment or training.

#### **Phase 3: Conclusion**

*Duration: 8 instructional units*

We will review the agreed goals together and evaluate the coaching. We will discuss further measures for personal and professional stabilization.

Depending on your needs, we initiate and coordinate supplementary and supportive measures, such as applying for technical aids.
